

# Upcoming Renovation

## A FRESH NEW CHAPTER AT AMARI DON MUANG AIRPORT BANGKOK

We're excited to unveil a series of renovations that make your stay brighter, more comfortable, and more memorable.

From revitalised guest rooms to refreshed public spaces—including upgraded facilities, a modernised FIT Centre, landscaped grounds with new ramps and railings, and enhanced common areas—every detail has been thoughtfully designed to welcome you with a fresh, contemporary ambience.

# BRIGHTER CORRIDORS WITH A MODERN FEEL

The corridors on the 4th and 5th floors have been redesigned with a sleek, contemporary look, creating a welcoming atmosphere from the moment you step out of your room.

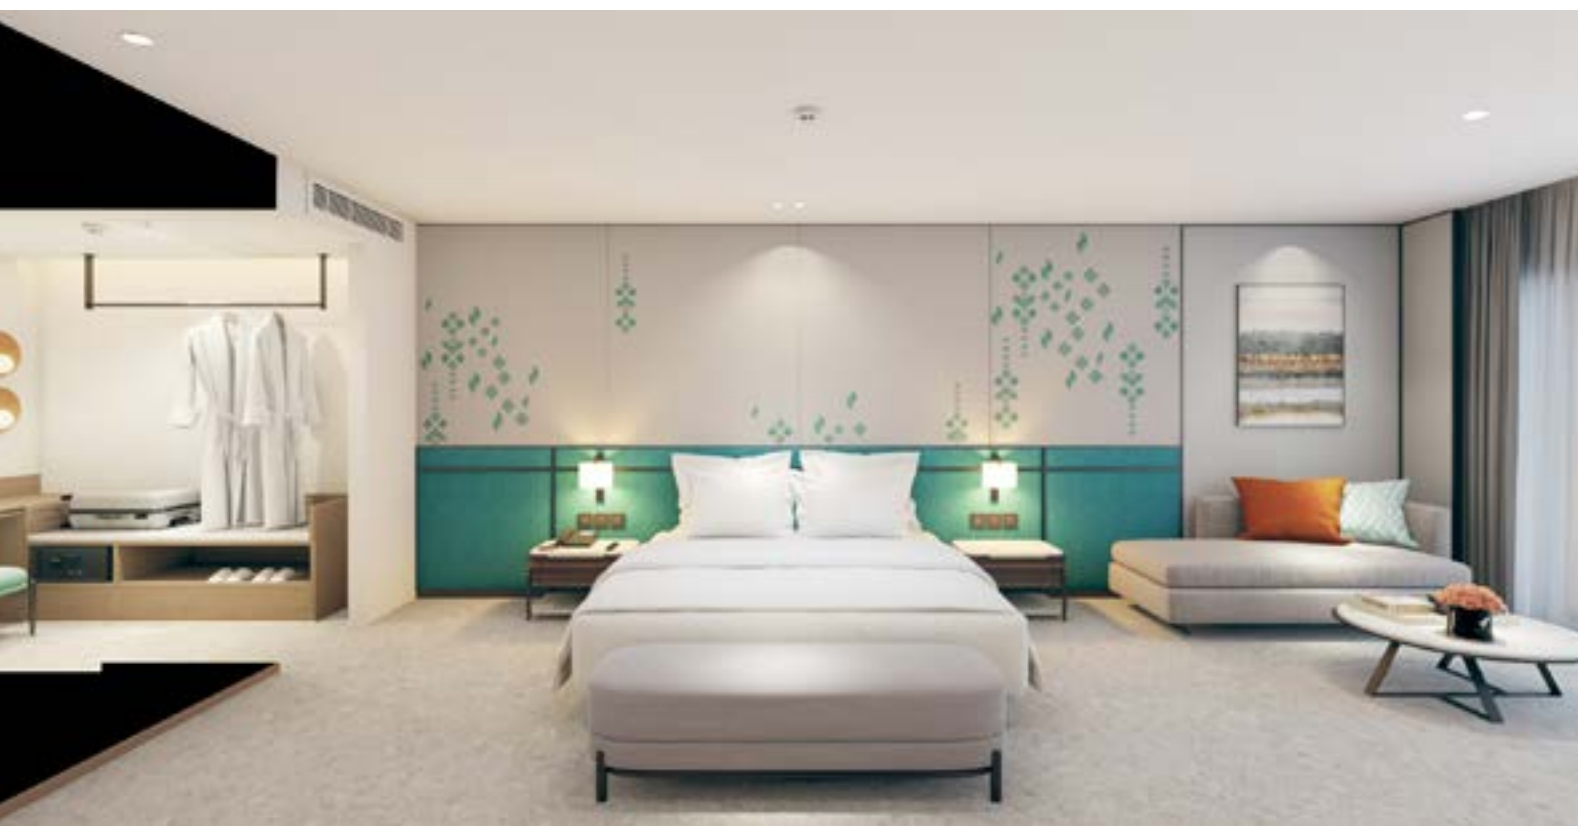

# REFINED ELEVATOR WAITING AREAS

Waiting for the lift is now a more pleasant experience. The newly upgraded elevator foyers feature modern finishes and improved lighting, offering both comfort and style.

## A BRIGHTER KIND OF STAY

Discover our newly enhanced Premier rooms, Premier Pool View rooms, Premier Suites, and Premier Family rooms. With fresh interiors, new furniture, modern carpets, and brighter design, every room feels more spacious and inviting—your perfect retreat after a busy day.

## INTRODUCING THE NEW PREGO

For the first time, Prego arrives at Amari Don Muang Airport Bangkok. Known for authentic Italian cuisine, Prego brings signature delicacies crafted with passion, alongside a brand-new pizza oven, elegant counter bar, and cosy indoor seating. Guests can also enjoy private dining rooms and an al fresco terrace for a truly memorable Italian dining experience.
