Dear Valued Guests,

For 43 years, Amari Don Muang Airport Bangkok has been a trusted gateway to Bangkok. We are delighted to share that our transformation is complete, and on **3 December 2026** we will officially celebrate our Grand Relaunch, opening a new chapter for every journey that begins with us.

What's New

Redesigned Guest Rooms: Our guest rooms and suites on the 4th and 5th floors have been thoughtfully redesigned, bringing a fresh, contemporary feel and greater comfort to every stay.

New Lobby Experience: Our reimagined lobby welcomes you with a warm, refreshed look from the moment you arrive.

Prego Don Muang – Now Open: Our new Italian restaurant brings authentic Italian flavours, freshly prepared dishes and the warm spirit of Italian dining to the hotel.

Zeppelin: Enjoy a diverse selection of carefully prepared dishes, crafted to make every meal a moment to savour.

Discover Bangkok: Beyond seamless travel, we invite you to experience Bangkok through its local character, culture and flavours, and to see the city from a new perspective.

Thank you for your patience, understanding and continued support throughout our renovation. We look forward to welcoming you to the new Amari Don Muang Airport Bangkok, with more reasons to stay than ever.
