THE SILK JOURNEY

Amari Pattaya

THE SILK JOURNEY

Maai is inspired by the beautiful transformation of the silkworm, known as the “Nhon Maai”, which lives on nutritionally rich Mulberry leaves. They create and then wrap their Rang Maai cocoons in a soft silken fabric known as Pui Maai, that provides warmth and protection from the elements. Through a transformative process of love and care, the Nhon Maai emerges from their silken Pui Maai as an elegant butterfly.

This journey of silk represents our own approach to holistic treatments, designed to support your physical, mental, and spiritual well-being. These are the foundations of a long, healthy, and happy life.

We invite you to begin your own fully personalized transformation by taking your first steps on the Journey of Silk with us.
