The Illusion OF TASTE

They do say there's no accounting for taste; however, at Samutr Bar, we believe that with time and dedication, one can explore its inner world through experience.

This menu is a collection of feelings and creativity. It seizes our inspiration and dedication, interpreting our emotions into experience through the art of mixology.

"The Illusion of Taste" is a testament to our creative process.

Ingredients, carefully selected. Classics, reinvented. Every cocktail is an invitation to a new experience.

CUBAN CIGARS

OPEN DAILY

10.00 - 23.00

GUANTANAMERA CRISTALES

500

Size: Corona **Ring Gauge:** 41 **Length:** 5.9"/15 cm.

Guantanamo makes a great introduction to Cuban Cigars. The Guantanamo have been rolled using the highly regarded leaves from the Vuelta Arriba region of Cuba.

Tasting Note: This is a mild bodied cigar with woody and earthy flavors coupled with spices and pepper.

HOYO DE MONTERREY EPICURE ESPECIALES

2,500

Size: Robusto Extra **Ring Gauge:** 50 **Length:** 5.5"/14 cm.

The Hoyo de Monterrey Epicure Especial is a medium-bodied Robusto Extra crafted from fine Vuelta Abajo tobacco. It has the brand's trademark creamy smoke, but with heavier cocoa and spice notes.

Tasting Note: The cigar is very rich, with varied notes that include coffee, earth and cocoa powder, and a touch of graham cracker.

H. UPMANN CORONAS MAJOR

980

Size: Petit Corona **Ring Gauge:** 42 **Length:** 5.2"/13.2 cm.

The H. Upmann Cigars were first produced in 1844. They are named after its founder, Herman Upmann who fell in love with Havana cigars. H. Upmann cigars are available in a range of both handmade and machine made variations. H. Upmann cigars offer one of the smoothest tastes, along with a subtle, mild to medium smoke.

Tasting Note: Very complex and smooth, lots of cedar, spices, coffee.

ROMEO Y JULIETA NO.2

1,000

Size: Petit Corona **Ring Gauge:** 42 **Length:** 5.1"/13 cm.

The Romeo y Julieta No.2 Tubos cigar is a classic of the brand. Larger than the No.3 yet smaller than the No.1, this cigar carries essentially the same taste as the other tubos. The tobacco is medium in flavour combined with a variety of flavours to create a very complex cigar.

Tasting Note: Some earthy, woody aromas, leather and some hints of spice on the tongue.

MONTECRISTO MASTER

2,200

Size: Robusto **Ring Gauge:** 50 **Length:** 4.9"/12.5 cm.

Fresh and flavoursome, the Montecristo Master are for outdoor, relaxed smoking. Very different from the classic Montecristo's, the Open line have added another dimension to the family. The Master (inspired in the Master's Tennis series) will certainly be very popular with the bigger ring gauge smokers.

Tasting Note: Plenty of aromas of wood, tobacco, earth and other subtle notes.

JOSE L. PIEDRA PETIT CAZADORES

2,400
(5 sticks per box)

Size: Tres Petit Corona **Ring Gauge:** 43 **Length:** 4.1"/10.4 cm.

Jose L. Piedra is a particularly noteworthy Habano not only because its blend is composed of filler tobaccos grown exclusively in the Remedios tobacco region, but also because it is made using the totally hand made, short filler technique.

The Piedra family came to Cuba in the 1880's from the Spanish province of Asturias. They settled near the town of Santa Clara, which lies at the heart of the Remedios region where tobacco has been grown since the 16th century, and started to make cigars.

Tasting Note: Pepper, wood and a minor herbal character.

GUANTANAMERA PURITOS

660
(5 sticks per box)

Size: Puritos **Ring Gauge:** 29 **Length:** 4.1"/10.4 cm.

The Guantanamo range comprises light strength machine-made cigars using short filler tobacco from the lesser Vuelta Arriba region. Guantanamo cigars have pre-cut heads, a cigar cutter is not required.

Tasting Note: Great flavor, not too strong and very smooth.
